Welcome to Smart Ideal Technology!

We're a leading technology solutions provider committed to transforming businesses in the digital age. With a decade of experience, we deliver innovative tools and expertise tailored to your unique needs.

At Smart Ideal Technology, we stay ahead of the curve, embracing the latest trends to provide cutting-edge solutions. Our dedicated team collaborates closely with you to understand your objectives and deliver measurable results.

With excellence, integrity, and professionalism at our core, we go above and beyond to help you achieve your goals. Whether it's network redesign, software development, website design, or branding services, we bring passion and expertise to every project.

We're proud to serve clients in Egypt, Saudi Arabia, and the United States. Our commitment to excellence extends across borders, as we empower businesses with our innovative solutions.

Join us on this transformative journey, as we navigate the digital landscape and shape a brighter future for your business.

Welcome to Smart Ideal Technology, your trusted technology partner.

Sincerely,

Eng Mahmoud Radwan

CEO

About Company

Established in 2010, **Smart Ideal Technology** is a leading technology solutions provider with a decade of experience. We operate in Saudi Arabia, the United States, and Egypt, serving clients across diverse industries.

At Smart Ideal Technology, we are dedicated to empowering businesses with innovative tools and expertise. We offer personalized services tailored to meet the unique needs of our clients. Our team of skilled professionals brings expertise in network infrastructure, software development, website design, content creation, branding, and more.

Smart Ideal Technology

As technology continues to evolve, we stay ahead of the curve by embracing the latest trends and advancements. Our mission is to be a catalyst for growth and transformation, providing smart technology solutions that create a competitive advantage for our clients.

With a strong presence in Saudi Arabia, the United States, and Egypt, we have built long-lasting relationships with businesses across these regions. Our commitment to making a positive impact on businesses has helped our clients unlock their full potential and achieve their aspirations.

Partner with Smart Ideal Technology and let us navigate the complexities of the digital world together, shaping a brighter future for your business.

01

Mission :

Our mission at Smart Ideal Technology is to empower businesses with innovative technology solutions that drive growth, efficiency, and success. We strive to understand our clients' unique needs and challenges, and provide personalized services that exceed their expectations. With a focus on excellence, integrity, and professionalism, we aim to be a trusted partner in navigating the digital landscape, enabling businesses to thrive in the ever-evolving digital age.

02

Vission :

Our vision is to be a leading global technology solutions provider, recognized for our exceptional services, commitment to client success, and transformative impact on businesses. We aspire to continuously innovate and stay at the forefront of technological advancements, enabling our clients to adapt, compete, and succeed in an increasingly digital world. We aim to forge long-lasting partnerships, built on trust, collaboration, and shared success, as we work together to shape a brighter future for our clients and the industries we serve.

03

Strategy :

Our strategy revolves around delivering tailored, cutting-edge technology solutions that address the specific needs of our clients. We prioritize understanding our clients' objectives, challenges, and aspirations to develop customized strategies that drive measurable results. We invest in staying up-to-date with the latest trends and advancements, enabling us to provide innovative services across network redesign, software development, website design, branding, and more. By fostering a culture of excellence and continuous improvement, we aim to consistently exceed client expectations and build enduring relationships.

Our Services

At Smart Ideal Technology, we pride ourselves on o

With our expertise and dedication, we provide the following detailed services:

Network Redesign Consultations:

We understand the critical role that a well-designed and optimized network infrastructure plays in the success of businesses. Our network experts conduct thorough assessments of existing networks, identify areas for improvement, and develop strategic redesign plans. We focus on enhancing connectivity, scalability, and security, ensuring that your network infrastructure supports your business goals and operations effectively.

Smart ideal Services

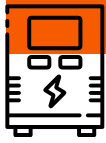

Manpower and Hands-on Training:

To maximize the potential of technology within your organization, we offer specialized training programs. Our skilled trainers provide hands-on training sessions empowering your workforce with the knowledge and skills required to leverage technology system operations to advanced software applications, we ensure that your team is equipped to make the most of your technological investments.

Branding:

Building a strong brand identity is essential for standing out in today's competitive market. Our branding services encompass a comprehensive approach to develop and enhance your brand presence. Our team collaborates closely with you to understand your brand values, target market, and competitive landscape. We design compelling logos, develop brand strategies, create brand guidelines, and implement brand positioning strategies to ensure a consistent and impactful brand experience across all touchpoints.

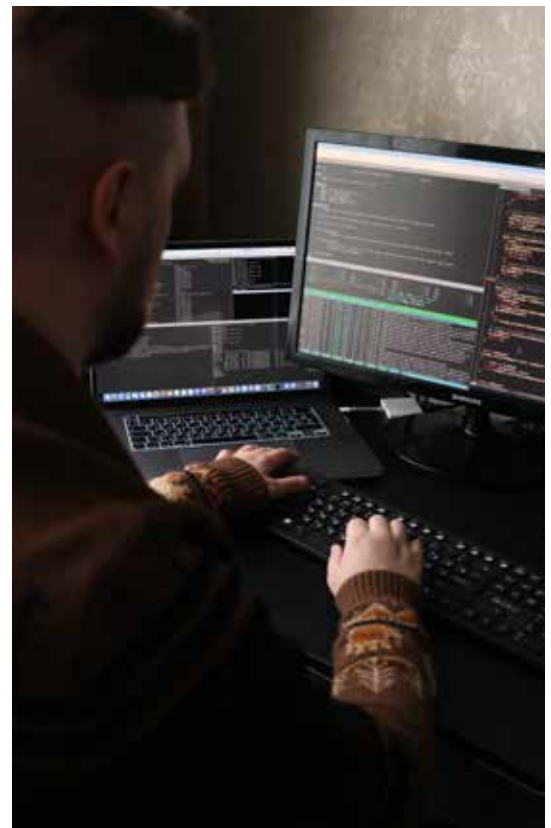

Power Solutions:

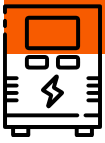

Uninterrupted power supply is vital for businesses to maintain productivity and protect critical data. We provide reliable power solutions tailored to your specific requirements. Our experts assess your power needs, recommend suitable backup power systems, and implement energy-efficient solutions. Whether it's uninterruptible power supply (UPS) systems, generators, or sustainable power management strategies, we ensure that your operations remain uninterrupted and resilient.

Software Development:

Our experienced software development team specializes in creating customized software solutions to address your unique business needs. We collaborate closely with you to understand your requirements, develop robust software architectures, and deliver scalable, secure, and user-friendly applications. From enterprise resource planning (ERP) systems to customer relationship management (CRM) platforms, we harness the power of technology to optimize your business processes and drive productivity.

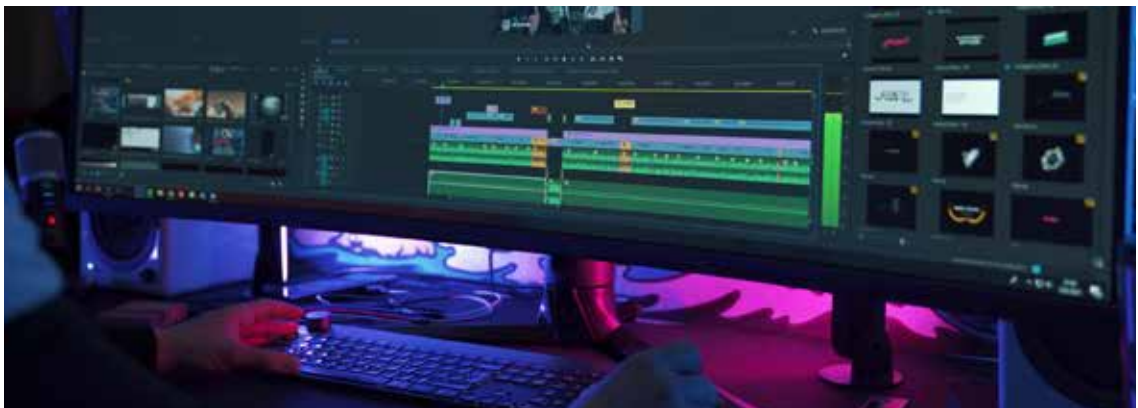

Website Design:

In the digital era, a professionally designed website is essential for establishing a strong online presence and engaging customers. Our web design services focus on creating visually appealing, user-friendly, and responsive websites. Our talented designers work closely with you to understand your brand identity, target audience, and business objectives. By integrating captivating visuals, intuitive navigation, and compelling content, we craft websites that leave a lasting impression and drive customer engagement.

Content Services:

Compelling and well-crafted content is crucial for effectively communicating your brand message and engaging your target audience. Our content experts specialize in creating high-quality, tailored content across various platforms. From website content, blog articles, and social media posts to newsletters and marketing collateral, we ensure that your content resonates with your audience, strengthens your brand, and drives customer conversion.

Additional Services Solutions

Our company offers a wide range of services and solutions designed to address the diverse needs of businesses across various sectors. From industrial optimization and automation to comprehensive business solutions, safety measures, video analysis, and strategic consultancy, we are committed to empowering organizations with innovative and tailored approaches. With a focus on driving efficiency, productivity, safety, and growth, we strive to be a trusted partner in helping businesses achieve their goals and stay ahead in today's competitive landscape.

```
function() {
  //is the element hidden?
  if (!t.is('visible')) {
    //it became hidden
    t.appeared = false;
    return;
  }

  //is the element inside the visible window?
  var a = w.scrollLeft();
  var b = w.scrollTop();
  var o = t.offset();
  var x = o.left;
  var y = o.top;

  var ax = settings.accX;
  var ay = settings.accY;
  var th = t.height();
  var wh = w.height();
  var tw = t.width();
  var ww = w.width();

  if (y + th + ay >= b &&
      y <= b + wh + ay &&
      x + tw + ax >= a &&
      x <= a + ww + ax) {

    //trigger the custom event
    if (!t.appeared) t.trigger('appear', settings);
  } else {
    //it scrolled out of view
    t.appeared = false;
  }
};

//create a modified fn with some additional logic
var modifiedFn = function() {
  //mark the element as visible
  t.appeared = true;

  //is this supposed to happen only once?
  if (settings.one) {
    //remove the check
    w.unbind('scroll', check);
    var i = $.inArray(check, $.fn.appear.checks);
    if (i >= 0) $.fn.appear.checks.splice(i, 1);
  }

  //trigger the original fn
  fn.apply(this, arguments);
};

//trigger the original fn
modifiedFn.call(t, settings.data, modifiedFn);
